

# PROJEKT BMS 2017

TECHNOLOGIA  
INTEGRACJA

E F E K T Y W N O Ś Ć

## DAY 1 | 18th of October 2017

08:30	Participants Registration Coffee Break   Discussions in the Exhibition Zone
09:30	<b>Welcome Panel</b>   <b>Project-Haystack.org</b>   <i>Unlocking the Value of Equipment System Data – Introduction to Project Haystack and Data Modeling for BMS and Energy Management</i>   John D. Petze – Executive Director
10:20	<b>GLOBAL CONTROL 5</b>   <i>ISMA – designed to meet every challenge, today and tomorrow</i>   Krzysztof Jacewski – Key Account Manager
11:00	<b>ROGER</b>   <i>Scalable access control system with building automation and alarm system control</i>   Kamil Stadnicki – Product Manager
11:40	<b>WAGO ELWAG</b>   <i>Building Automation WAGO – reliable, flexible solutions for every investment</i>   Robert Wachowicz – The Building Automation Design Manager
12:20	Coffee Break   Discussions in the Exhibition Zone
12:40	<b>SIEMENS</b>   <i>Visualization and management of buildings in the digitization era</i>   Dariusz Romejko
13:20	<b>AMIT</b>   <i>Healthy indoor environment in building</i>   Radim Bondy – Export Manager   Radek Banýr – Export Manager
13:50	<b>IMPAKT / POWER WALKER</b>   <i>The universal nature of the PowerWalker solutions</i>   Łukasz Wardak
14:20	Lunch
15:40	<b>ELTCRAC SYSTEM</b>   <i>DSDi- integrated service platform</i>   Michał Reszka – Sales Development Coordinator   Piotr Reszka – Business Development Manager
16:10	<b>SOMFY</b>   <i>How management of Somfy solar protection combined with natural and artificial light improves the energy performance of buildings</i>   Aleksander Tymiński – Project Business Developer
16:40	<b>Experts Panel</b>   <b>BIM POINT</b>   <i>BIM in the building's lifecycle – A vision verified in practice</i>   Wojciech Kalisz   Jerzy Rusin
17:10	Coffee Break   Discussions in the Exhibition Zone
18:00	Team Building and Leisure Time
20:00	Dinner and Evening Full of Amusements

## DAY 2 | 19th of October 2017

07:30	Breakfast Coffee Break   Discussions in the Exhibition Zone
09:00	<b>Experts Panel</b>   <b>MCBE – Malopolska Laboratory of Energy Efficient Building</b> – case study   PhD ing. Małgorzata Fedorczyk-Cisak   Director of Malopolska Center of Energy Efficient Building on Cracow University of Technology   prof. arch. ing. Marcin Furtak   Director of Malopolska Laboratory of Energy Efficient Building Civil Engineering on Cracow University of Technology
09:40	<b>Experts Panel</b>   <b>SPIE Polska</b>   <i>Optimizing the operating costs of office buildings using BMS</i>   Marta Lenarczyk – Project Manager
10:10	Coffee Break   Discussions in the Exhibition Zone
10:40	<b>Experts Panel</b>   <b>SMW LEGAL</b>   <i>Construction 2.0. How to do it in public procurement. New technologies in the construction industry and their application on the public market in the context of directives concerning public procurement and energy efficiency of buildings</i>   Konrad Majewski – Legal counsel   Kamil Stolarski – Legal counsel
11:10	<b>Experts Panel</b>   <b>KNX Professionals Polska</b>   <i>The investment process and justification of automation selection</i>   Andrzej Stachno – President of the Association KNX Professionals Poland   Tomasz Janecki – Vice President of the Association KNX Professionals Poland
11:40	<b>Discussion Panel</b>   <b>Investment process using BMS systems. Modernization of public and office buildings according to the EU Directive</b>   <i>The stages of investment process / Investment planning. Commissioning. Consultancy at the stage of investment assumptions – technical consultancy, supporting the investor by the manufacturer / Supporting Tools / Property and implementation / The role of technical team. Optimisation of the commissioning</i>   Andrzej Stachno – President of the Association KNX Professionals Poland   Tomasz Janecki – KNX Professionals Poland   Konrad Majewski – Legal counsel – SMW Legal   Kamil Stolarski – Legal counsel – SMW Legal   Michał Nowak – Maintenance Expert – Sodexo Polska On-site Services   Witold Rafalski – IFMA Poland   Dominik Stępień – Representative of the end user
13:30	Summary Panel
14:00	Lunch
